STANTON AND ASSOCIATES is a firm of professionally registered and accredited accountants and tax practitioners.

We specialise in accounting, business and statutory support, tax strategies and planning as well as the review and implementation of financial processes, systems and controls for all spheres of industry.

Our clients comprise Companies, Close Corporations, Individuals and Trusts – from SMME's to large organisations - and our services are tailored to meet our individual client's requirements.

The South African compliance and business landscape has evolved significantly over the last few years and we understand that navigating commercial challenges can be difficult.

We also believe that managing compliance, financial and operational risks during this evolution is of critical importance and our professionals are trained to provide tailored support in these areas.

We work collaboratively with our clients to ensure that we fully understand their needs, whilst ensuring that our clients understand their responsibility and obligations associated with their businesses and structures.

We hold ourselves to the highest standards and due care. Our mission is to provide our clients with a dedicated and reliable partner, who can implement robust systems and provide 360 degree financial, business and statutory support.
